C4DISC is proud to host three toolkits developed to offer resources to our community: for allies, for Black, Indigenous, and People of Color; and for organizations.

These toolkits are intended to serve as a common framework for analysis, a shared vocabulary, and best practices to address racial disparities specific to the scholarly publishing community.

A Series of Antiracism Toolkits to Help Transform Our Workplaces and Organizational Cultures

1. Toolkit for Allies
2. Toolkit for Black, Indigenous, and People of Color
3. Toolkit for Organizations

The first of the three toolkits can be downloaded at https://c4disc.org/toolkits-for-equity
